**News:** Rainbow Bridge International School has become our new member !

Rainbow Bridge International School (RBIS) has become our new member! Starting May, 2010, all students and the teachers in Rego will receive a 10% discount for their treatments in our

three clinics.\*

In April 24, 2009, DDS Dental Care joined RBIS's Earth Day Event. The photo wall attracted a lot of children who went to our booth. Besides this our dentists also gave the children who took part in the Earth Day event free checkup. After free checkup the children also can get a certification for the first visit.

Through this event, DDS Dental Care and Rainbow Bridge International School have the good chance to know each other thoughtly. DDS Dental Care will continue to provide the best services to students and faculties of Rego international School as always.

\* The discounts are limited to oral examination, cleaning, filling, x-rays, fluoride treatment, and extraction.

\* These discounts cannot be combined with other packages in DDS Dental Care, such as the Value-added Package.
